Reaching The Bahamas

For Jesus Christ

By Airplane

Bahamas

January 1, 2015

HAPPY NEW YEAR to everyone, we trust God's blessing for the year to come.

Yesterday as I finished our years end report and reviewed our support I was humbled and thankful for how God faithfully supplied through you all. I could see where some struggled financially and it showed in your giving. Some gave up but most remained faithful and for that we give THANKS. Although our support is not what it should be, we have not missed a meal and our bills (except for the prop) are paid. We pray for each of you daily.

As I look back over the year, it started with us dividing our time between Harvest Aviation as Executive Director and the Bahamas. February we held the fourth annual Church Leaders Bible Seminar on Andros and then two mission conferences in Florida and South Carolina. March we made a trip to Belize and April a mission conference in North Carolina. After several trips to the Bahamas, a flight Camp in TN and FL we found it necessary to resign the position at Harvest Aviation at the end of July so we could devote more time to the North Andros Bible Institute. August we started preparations to become Foster Parents to house a boy from the Bahamas to go to a Christian High School here in Sebring. Sad to say, he was unable to make the adjustment and went back home after only two weeks of school. November found us in Alaska for three weeks speaking in mission conferences in four churches. December back to the Bahamas to present the final paper work on the Bible Institute to the government and promote the Bible Seminar to be held in January of 2015.

As we look forward to this year the calendar is already filling up as we anticipate the approval for the Bible Institute. There will be week-long teaching sessions each quarter plus, God has opened another door for us to do the same thing on the Island of Exuma. We will be starting with a seminar the first week of March. Throw that in with all the other normal things of life that go on and we will be busy. Now we are feverishly working on curriculum and lessons for the Bible Institute.

Continue to pray for us for God's continued wisdom, direction, health and safety.

Co-laborers in Jesus Christ,

Dave and Sharon Spangler
