*To all our Supporters, Prayer Partners, Family and Friends;*

*Flight Camp was a huge success this year with over 26 in attendance. Not only did they get a chance to have simulator time, flight time, and class room time but they also heard about being a missionary pilot and the Gospel of Jesus Christ and a challenge to live a Godly life. What a privilege to pass on to the next generation and invest in their lives. **PRAY** that God will work in the lives of these young people to pick up the torch and carry on in our place.*

*Vacation Bible School went very well on Ragged Island with 23 children in attendance. It is always a joy to be with the folks there and a privilege to hold Sunday services.*

*The propeller is back for our airplane and the final bill is in. It was in the middle of what we expected, a little over \$7,000.00. So far \$1,250 has come in and we **PRAISE** God for His faithfulness and know that He will provide through His people. Continue to **PRAY** for that need.*

*Things at Harvest Aviation continue in a normal pace. We had a new perspective pilot join us for the flight to Belize this month. On his approval it will allow our chief Pilot a little needed relief. I also interviewed an individual to head up our Air Frame and Power Plant maintenance training program. He has accepted the invitation and once accepted by the board will fill a great void.*

*Sharon has struggled with health issues for the past month. She went to the doctor last Thursday and he scheduled her for another appointment next month. In the meantime things have gotten worse and we may try to get in before her next appointment. **PRAY** for healing and relief.*

*Thank you for your continued faithful prayers and financial support.*
