Reaching The Bahamas

For Jesus Christ

June 29, 2015

To all our Supporters, Prayer Partners, Family and Friends;

*I was holding off on this letter waiting for news on the Bible Institute government approval but it keeps being delayed, and the letter is so overdue, I cannot wait any longer. The inspection of the physical facility is the final step for approval and it was scheduled the first of June but has been delayed until July 2nd. **Pray** for a positive report. The roofing materials for New Mt. Freedom Baptist Church have been purchased and shipped. Contributions for the cost continue to come in and I am confident by what has been pledged that it will be paid for by the end of next month. I want to thank each of you for your financial help and prayers. It is a great testimony to the church.*

I just returned from a week of flight camp in Clinton, Tennessee. It was a great time of investing in the lives of 8 young men introducing them to missions and aviation. One of the boys dropped out the first day but as he was waiting for his father to come and pick him up, Doug Deming from JAARS, was able to lead him to a saving knowledge of Jesus Christ.

*Saturday (4th) we go to Exuma for a Church Leadership Bible Seminar. This could be an open door to start another Bible Institute on that island. **PRAY** for a good turn out and for our teachers to teach with power and clarity. When we get back we will turn around and reload and take a work team from Calvary Baptist Church in Liberty, SC. to Andros Island to put the roof on New Mt. Freedom. **PRAY** for safety as we fly and work and that we are able to accomplish all that is need to be done. Sharon is busy working on menus and packing food for both trips.*
