Reaching The Bahamas

For Jesus Christ

By Airplane

Bahamas

March 28, 2015

To all our Supporters, Prayer Partners, Family and Friends;

CHURCH

This letter is all about New Mt. Freedom Baptist Church in Lowe Sound, North Andros, Bahamas and Pastor John Newton. They have graciously allowed us to use their Fellowship Hall for the Church Leadership Bible Seminars and also for the North Andros Bible Institute. This has saved us the expense of building our own facility, up keep and utilities.

FELLOWSHIP HALL

Recently the kitchen in the fellowship hall has received considerable termite damage in the ceiling and destroying the cabinets. The roof is also leaking and needs to be replaced.

This damage needs to be repaired before we can conduct further classes. They do not have the resources to do the needed repairs. Because we have been and will continue to use their facility at no cost to us, I feel an obligation to help. I know it seems like we are always asking for more money for something and I hate to keep going to the same "well for water".

My hope is that there is someone out there who knows of a business, Sunday School class, individual or church that would take this on as a ministry and help support this church.

The initial cost just for the ceiling repair is \$2,500.00. Pray with us that we can help meet this need.
