Reaching The Bahamas

## For Jesus Christ

By Airplane

Bahamas

October 18, 2014

***But we have this treasure in earthen vessels, that the excellency of the power may be of God, and not us. We are troubled on every side, yet not distressed; we are perplexed, but not in despair...cast down but not destroyed.***

***II Cor. 4:9***

*This has been a period of "ups and downs" for us. The July flight camp was an up, but returning home it became apparent that I needed to resign my position at Harvest Aviation effective July 28th. There were several irreconcilable issues that made it necessary plus I was finding that it was requiring more of my time than I had originally thought and robing my time and attention from my first love and first responsibility, the North Andros Bible Institute.*

*The first of August we started working with the Wallace family on Ragged Island and Highlands University Preparatory School to bring their son, D'Marcio here to go to high school. HUP is a private Christian school and we were honored and excited that they wanted their son to come and live with us. After much hard work on getting student visa, school books and uniforms he was finally here and in school. Coming from a small island of only eighty, it was a hard transition for both son and mother. After only two weeks they were not able to adjust and he went back to the Bahamas. We were saddened to say the least but know that God is in control of all things.*

*September I was busy doing the annual inspection on the airplane and it now has a clean bill of health. The end of September and first of October found us in two important meetings with Dr. Jan Milton of Operation Renewed Hope and Dr. Larry Wilson, Academic Dean of North Andros Bible Institute. Both meetings were planning for the future. In the meeting with Dr. Wilson we were able to finish up the paperwork for the Bahamas Government and work on curriculum for the Bible Institute. That trip also made it possible for us to visit two of our supporting churches.*

*I am currently busy preparing lessons and class materials for the Andros Church Leadership Seminar to be held the end of January. **PRAY** for our upcoming trip to Alaska to be in a mission conference of a supporting church we have not seen since the beginning and two new churches. **PRAY** also for a trip to the Bahamas in December to finalize the North Andros Bible Institute.*

*Co-laborers,  
Dave and Sharon Spangler*
